

96th Aerial Bombardment Squadron,
American Expeditionary Force
September 7, 1918.

We, the officers of the 96th Aerial Bombardment Squadron, send our thanks to the Denver Rotary Club for lending Jim Goodheart to us for the only too short period of six months. Jim's service to this Squadron has been such that he leaves a place impossible to refill. To the enlisted men, he is "our Jim"; to the officers he is "our Jim", a gentleman and a soldier.
